Umpires

Each team is responsible for providing an umpire for their grade and time slot. **You will need to nominate a suitably experienced umpire to the standard and level of play in the division that you are graded.**

This cannot be a member of your team. However, your team member could umpire a similar grade in the alternate time slot through arrangements with other teams. HDNA require umpires at Night Competition to be 16 years or older, unless for Junior grades, in which the umpire may be 14 or older. Badged umpires are preferred and essential for higher grades.

If your team umpire is unavailable for a game, it is the responsibility of the team and umpire to find a suitable replacement of an appropriate level to cover the game. This should be communicated with HDNA once a replacement has been confirmed.

After grading and confirmation of time slots there will be further communication from HDNA confirming your umpire and your responsibilities for liaison with and payments to the umpire. Payment for umpires is a minimum of \$25.00 per game.

Uniforms

All teams should wear the same style of uniform. Shorts, leggings, singlets etc are acceptable, however, all players must be dressed in the same style e.g. black leggings and black singlet; black shorts and white t- shirt. Club uniforms are acceptable. Limited overhead position bibs are available at Control, however, as bibs need to be laundered between wears, teams should provide their own. Position patches or bibs are considered part of the uniform and **MUST** be worn.

NO JEWELLERY (except as stated in Rule below)

In line with the 2024 Official Rules of Netball, rule 5.1.1 iv) Players must not wear anything that could endanger themselves or other players, specifically:

- a. No adornment or jewelry may be worn other than a wedding ring which must be covered with tape.
- b. A medical alert bracelet may be worn provided it is covered with tape.
- c. Fingernails must be short and smooth.
- d. Hair must be suitably tied back.

Absolutely no taping of earrings will be allowed – players will have to remove jewelry or not play.
No wearing of gloves or hats will be allowed during play – nails must be short and smooth.

Fixtures

Fixtures will be displayed on PlayHQ once grading has been completed.
